

Current Canadian legislation allows you to donate publicly traded securities, mutual funds and bonds to registered charities without having to pay capital gains tax. To **avoid paying capital gains tax**, the securities must be transferred directly from your institution to Canterbury Foundation and not cashed first.

BENEFITS OF SECURITIES DONATIONS

- ✓ You pay **no capital gains tax on securities you donate** that you've held for more than one year
- ✓ You are eligible for a **charitable income tax deduction** on the fair market value of the securities on the date of transfer
- ✓ Donating securities provides you an opportunity to **rebalance your portfolio**
- ✓ If your charitable credits for the year exceed the standard 75% of your net income, you may **carry forward the excess tax credits** for up to five years

The above general calculations are for illustrative purposes only. It does not constitute legal, financial or tax advice. We strongly encourage and recommend you consult legal, financial, or estate planning professionals prior to making a gift of securities.

If you donate your shares directly to Canterbury Foundation, we receive a higher donation and you receive an official receipt showing the larger contribution.

This means a considerable tax benefit for you and a larger donation for Canterbury Foundation.

WHAT IS THE PROCESS?

Gifts of securities usually is done by way of an electronic transfer from your account to Canterbury Foundation. We cannot "pull" the securities out of your account - it must be "sent" by written instruction from you to your bank or investment firm. Gifts of mutual funds generally take longer than gifts of shares. Sometimes securities gifts happen almost immediately, with others taking weeks to complete.

WHO ISSUES THE DONOR TAX RECEIPT AND WHEN?

Once the securities are transferred and sold, Canterbury Foundation will issue the donation receipt for that gift. In all likelihood, the financial markets would have fluctuated from the time you decided to transfer to the actual sale. The receipt will be based on the value of securities at the time they were received by Canterbury Foundation.
